### **Indemnification and Refusal of Service:**

The customer consents to release Dazco from all agreements, liabilities, and losses—including costs and claims—caused by the customer's carelessness or any other indirect Dazco-related cause. Unless specified by applicable law and direct cause is established in a court of law, the customer agrees to release from liability anybody connected to Dazco, including employees, directors, suppliers, claimants, and others.

In the event of illegal activity, a breach of the terms and conditions of service, a violation of the privacy policy, or at the sole discretion of Dazco management, Dazco reserves the right to refuse, cancel, and/or terminate the services of consumers.

### **Refunds and Cancellations:**

Dazco understands that sometimes a service may not be suitable for you. Therefore, in the event of an order, the consumer is granted a seventy-two-hour timeframe from the time of placing the order to request a refund for any reason, no questions asked. However, certain limitations apply:

- 1) There are no refunds for add-ons.
- 2) On the product, a cancellation request has been handled or filed.
- 3) The order is an upgrade order.

After 24 hours, you won't be eligible for a refund or get one when:

- 1) The outage was brought on by you.
- 2) You had no desire to purchase the services.
- 3) You don't want to get assistance.
- 4) Termination subject to these terms of service and the system.

**Renewals:**

We implement the following policies for renewal, suspension, and termination on all games servers:

- An invoice will be emailed to you 14 days prior to the service's due date; once a service is invoiced, it cannot be changed in any way.
- The day following the service's due date, at 5 AM GMT-4, the invoice will be flagged as past due and the service will be discontinued if payment is not received. An initial overdue notice will be mailed to you.
- You are going to receive a second overdue notification 24 hours after the invoice was listed as past due.
- A third late notification will be sent to you 48 hours after the invoice was listed as past due.
- Your files will be deleted and your server will be terminated 92 hours after the invoice was declared as past due.

Through its affiliate program, Dazco allows customers to recommend other customers in exchange for credit.

1. Dazco account credit will be awarded for affiliate program withdrawals.
2. Financial processors such as PayPal, cryptocurrency, etc. will not be accepted for payment or exchange of Dazco account credit. except in situations when we formally mention
4. Your affiliate link must be visible when publishing and cannot be hidden or covered by a URL shortener.
5. At any point, we reserve the right to refuse an affiliate payout.
6. Your account will be closed and your affiliate earnings will be lost if the credit affiliated system is abused.

**Databases Services:**

We provide two free MySQL databases with all game servers. This is an additional service, and as such, we do not assume any liability for any loss or corruption of MySQL data, whether paid or free. The MySQL databases associated with your server may only be used for purposes related to your server. Any use deemed outside of this policy by Dazco will result in the removal of your MySQL database and the data it contains. The size and storage of your MySQL database are based on fair usage but have a hard limit of 256 gigabytes. This doesn't necessarily mean you can always utilize the full 256 gigabytes, as other factors may cause your server to exceed the fair usage limitation before reaching the 256-gigabyte mark. Your server will be suspended if any databases associated with it exceed this limit.

If you wish to obtain more databases and raise the limit, you must contact technical support. However, the increase is granted in a limited manner.

If you have any questions or queries about us, the Site, our Services or these Terms, please contact us via email as indicated in the Contact Us section of the Site.
